**Michigan Spatial Reference Network (MSRN) Real Time Correction Message User's
Responsibility and Agreement for the Use and Access of Data.**

GENERAL

The Real Time Correction Broadcasts in Radio Technical Commission for Maritime Services (RTCM) format for the stations which are a part of the MSRN system is offered to you, the user ("User"), as a public service. You should read the following to understand the limitations regarding the information provided and the use to be made of these RTCM broadcasts.

Government personnel and the general public may use this system to retrieve RTCM Messages. A User may not: 1) knowingly and without authorization, alter, damage, or destroy the Michigan Department of Transportation ("MDOT") or another user's computer system, network, software, program, documentation or data contained therein; 2) use this service to conduct or attempt to conduct any business or activity or solicit the performance of any activity that is prohibited by law. In addition, taking action which results in blocking access to this IP address by other users will be deemed an unauthorized use and may subject the User to law enforcement action.

This system uses administrative monitoring of Users accessing the system. System administrators may provide evidence of possible criminal activity identified during such monitoring to appropriate law enforcement officials. If you (User) do not wish to consent to monitoring, do not sign this agreement.

A User shall not hold himself or herself out as a representative, agent, or employee of MDOT and MDOT shall not be liable for any representation, act or omission of the User.

DISCLAIMER OF LIABILITY AND RELIABILITY

In preparation of this RTCM broadcast service, MDOT has endeavored to offer current, correct, and clearly expressed information. Nevertheless, errors may occur. MDOT expressly disclaims any liability, of any kind, or for any reason, that might arise out of any use of the RTCM information broadcast provided by this service. In particular, but without limiting its disclaimer, MDOT disclaims any responsibility for typographical errors or inaccuracies of the information provided or contained within the broadcast message. MDOT makes no warranties or representations whatsoever regarding the quality, content, completeness, suitability, adequacy, sequence, accuracy, or timeliness of the information and data provided by this service.

MDOT makes no representations or warranties of any kind regarding this service that may serve as the basis for holding MDOT liable, under any circumstances, for any consequence of the use of this information contained in the RTCM Broadcast message. MDOT makes no representations or warranties regarding the condition or functionality of this broadcast service, its suitability for use, or that this Broadcast Service will be uninterrupted or error-free.

If misleading, inaccurate or otherwise inappropriate information is discovered MDOT asks that it be brought to MDOT's attention so that efforts may be made to fix or remove it. Reference in this document/service/website to any specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by MDOT.

It is the sole responsibility of the user to determine the quality, accuracy, and suitability of the service provided.

The user shall agree not to disclose any information regarding TCP/IP addresses to any other entity without the express written consent of MDOT.

If the user agrees to all the provisions of this document, the entity capable of executing documents on behalf of the firm or company utilizing this service must sign, date and return this documentation together with the following:

- 1.) The name of the Individual or Firm
- 2.) Name and signature of the officer of the firm authorized execute documents on the firms behalf.
